

FROM FLORA, IND.

We are in the midst of a grand revival. Many souls are coming to Christ. Many more are almost ready. R. R. Teeter is holding forth the Gospel of Christ with power. He is a young man with ability and if God spares him he will make his mark on the scale in the church for good.

B. H. FLORA.

FROM HUNTINGTON CHURCH.

Yesterday was our regular meeting day. Brother Binkley preached from the S. S. lesson of the day, gave us a very good talk. Are expecting to have a continued meeting soon. There will be social services Tuesday evening. Wednesday evening will meet with an afflicted friend, and have a prayer-meeting, and point him to the Great Physician that can cure his soul maladies.

Bippus, Ind.

FROM NORTH MANCHESTER, IND.

For the encouragement of the many readers of the EVANGELIST I will say that the congregation at North Manchester is in fighting array and have actually begun hostilities. Within our series of meeting eleven good soldiers were added to the force by baptism. One more is to be baptized at our next meeting. The field is large and the opposition is strong but we have the advantage in being right, and of course will win. Thank God for victory all along the line.

G. W. RENCH.

FROM SEWARD, KANS.

Brother J. W. Beer came to our place on January 25 and preached nine discourses with very good attendance and attention. The result was one received by relation, and we trust good impressions made, and the little class built up and strengthened. The brothers labors were appreciated by us generally for the sword was well wielded convincing us of sin and its effect. Will say to him come again; also others passing this way please stop with us and help us, for we are all alone. Nevertheless we will try and do the best we can until we can do better. We have begun our prayer-meeting and Bible reading on Sabbath.

NEWS ALONG THE LINES.

Held Quarterly Business Meeting at the Middle Run Brethren church. Revised the church roll, by dropping several obsolete names. Brother Thomas G. Norman was called to the office of deacon and sister Emma Freeman, to the office of deaconess, brother Samuel Ripple called to the office of secretary, and brother John

B. Norman Sabbath-school superintendent, and brother Levi Brown (Presbyterian) assistant. The church roll dropped from 92 to 36, but is now in first class working order. Similar revision will follow in the Masontown and Grove churches.

FROM PLEASANT HOME, O.

The Fair Haven church will have their regular business meeting on Saturday, March 7, to commence at 1 o'clock P. M. All the members are requested to be present, and all others who are interested are welcome.

WM. KIEFER.

The series of meetings at Bloomers, O., closed on Sunday evening, February 23. During the meeting three came forward and confessed Christ. Two were baptized. The other will be in the near future. All souls are precious in the sight of God. But these three are especially valuable to the Bloomers church. The little church seemed to be much built up and revived. They have a good deal of opposition from without to meet, and they are bravely meeting it. They are made up of good material and are hard to down. They have no pastor now and had none since last November. They should and must be looked after. There is no church in Ohio, big or little that knows better how to take care of their preacher than they.

WM. KIEFER.

A NEW CHURCH ORGANIZED.

By request I went to Garrison, Ia., on February 17, preached three nights in the homes. Had good attendance, though one of the worst storms of the winter was raging. The last night helped the brethren to organize with a membership of twenty-nine. Received one by relation, and one confessed Christ, who will be baptized in two weeks. The Brethren there have been so fortunate as to be given a church that has of late been unoccupied. However, it is six miles in the country and they will begin at once to move it to town.

This has hitherto been a mission point, but has had such a good band of workers that it has grown steadily in numbers and the respect of the people of Garrison. The officers of the organization are as follows:—Trustees, J. T. Urice. R. E. Overman, O. W. Wenner; Clerk, Geo. W. Urice; treasurer, O. W. Wenner. They are earnest and zealous and, if they stand united as now, the time will come when they will be one of the strong churches of this district. Brethren, pray for them and us.

Faithfully,

J. L. GILLIN.

FROM KUNKLE, OHIO.

Sister Grossnickle commenced a series of meetings here Feb. 20. Her sermons are so healing and make the members feel like new creatures. Other churches show a good interest. The members are nicely set to work and the devil defeated. Two souls are brought to the light, and one application to join our church who professed Christ under the radical Brethren. May the readers pray for the success of Sister Grossnickle and of the church that through God's spirit many may be saved.

ADAM EBERLY.

FROM LANARK, ILL.

We began a series of meetings February 3 and continued until February 19. Brother Bashor was with us and handled the Word of God in a way commendable to himself and all who were privileged to hear him. I frequently heard the remark among the people that Bashor never preached such sermons here before, and we all feel strengthened by his being with us. As an immediate result two came and confessed Christ, both young and have not yet been tainted by Satan's touch. May God help them now to walk with him and be His children.

The interest in the meeting was excellent and when the weather permitted we had a full house and the congregation kept growing all the time. Owing to other engagements he was obliged to close just when we felt as though we should go on.

Later.—One more baptized Sunday since the close of the meeting.

B. F. PUTERBAUGH.

FROM WARSAW, IND.

Our revival meeting is a thing of the past. The church has been wonderfully blest. For several weeks our faithful pastor C. F. Yoder, preached the word of God in its purity to crowds of eager hearers and many were made to wonder "what shall I do to be saved." They were not long in the dark. Night after night beautiful messages from our blessed Master were given us by His trustworthy servant, and precious souls came flocking home. About twenty sermons were preached from John 1:16, and the most remarkable thing of all was that every sermon was as different from the other as could be, and yet so closely connected with the text that none could fail to see God's love and his wonderful power to save. Many families were made happy in the Lord over the return of a loved one who had strayed away in sin. Quite a number of heads of families came and their children smiled also. Many young men and young women stepped over the line to become harvesters
